

# Lynnwood Link Opening

## Four New Link Light Rail Stations Open August 30!

- Shoreline South/148th
- Shoreline North/185th
- Mountlake Terrace
- Lynnwood City Center

### Other Transit Changes:

- **\$3 Flat Fare on Light Rail:** Beginning August 30, an adult one-way trip on Link light rail will be \$3 flat. Now riders with an ORCA card won't need to "tap off."
- **University Street now Symphony Station:** This new name celebrates the nearby Seattle Symphony and reduces confusion, since riders often (understandably) confused University Street with the University of Washington and U District stations.
- **Bus Route Changes:** With the opening of the four new Light rail stations, nearby bus routes in King and Snohomish counties are shifting to better connect with Link Light Rail. Check out the QR codes below to learn more!
